## Product details

<b>Category:</b>	Sold
<b>Machine:</b>	RTS 21
<b>Machine code:</b>	IT193
<b>Manufacturer:</b>	KILIAN
<b>Year of construction:</b>	1990

## Description

Rotary tablet press Kilian RTS 21

Technical details :

Tablet output: 146.500/h

Number of stations: 21 stations

Tablet diameter max: 25 mm

Max depth of fill: 20 mm

Compression force max: 100 kN

Initial compression force: 23 kN

Type of tool: EU Norm D

Height of the machine with filling hopper: 1900 mm

Project floor area: 1100 x 800

Weight: 1700 Kg
