Product details

Category:	Liquid Filling and Closing Machines
Machine:	ARNO R8MG/T3 AUX + 1T-200 + U2-PRO
Machine code:	25-1870
Manufacturer:	Toscana Automazione Industriale
Year of construction:	n/a

Description

Toscana filling and capping line, Ticino 1T – 200 labeling machine, INK-JET marker, and rotating table
Composed of

1) Toscana Automazioni Industriali filling and capping monoblock (2021)

Model ARNO R8MG/T3 AUX

Installed power 8 kW

Dosing adjustment from 100 ml to 5,000 ml

Dosing system: magnetic flow meters

No. of dosing heads

No. of capping heads 3

Cap feed: automatic with automatic distributor

Closing system: Pic&place with magnetic clutch

H. Conveyor belt 950 mm +/- 30 mm

CE + ATEX 3 G construction (Zone 2)

Speed:

format F1 – Volume 1000 ml – 30 / 35 pieces/min

format F2 – Volume 500 ml – 45 / 50 pieces/min

format F3 – Volume 100 ml – 45 / 50 pieces/min

2) Automatic labeling machine Model Ticino 1T-200

Formats and application: SEMI-WRAP: Formats F1+F2

FRONT: F3

Label diameter: Min 25 mm – Max 200 mm

Minimum distance between labels 3 mm

Minimum distance from edge

Label length Min 20 mm – Max 300 mm

Machine speed:

Front and/or back: 60 pcs/min with 50 mm long label

Wrapping: 50 pcs/min with 100 mm long label

30 pcs/min with 250 mm long labels

Pre-set for Industry 4.0

With bottle-label format change: F1 – E 1 / F3-E3

3) Ink-jet marker with U2-PRO cartridge technology

From 1-4 print lines

4) With 1.20 mm rotating accumulation table
