Product details

Category:	Sold
Machine:	P-150-4/FV
Machine code:	IT436
Manufacturer:	Idroinox
Year of construction:	2010

Description

pharmaceutical storage and preparation vessel for sterile
vessel jacket
fluid group 2 -
capacity V 200 Lt -
design pressure PS -1 / +4 bar (g) -
design temperature TS +152,0 °C -
Hydraulic test pressure 7.3 bar (g) -
Hydraulic test date 17/11/2010
total empty weight 140kg
PED Category II
