## Product details

<b>Category:</b>	Sold
<b>Machine:</b>	U2080
<b>Machine code:</b>	IT471
<b>Manufacturer:</b>	ROMACO
<b>Year of construction:</b>	2001

## Description

The "new entry" of the Unipac range. A sort of "concentrate" of the best technologies. "Flexibility" is its password: from tube loading to product feeding, many and many alternative solutions can be selected to satisfy every customer's need. Innovative design. Nine workstations and enough space to perform any type of operation. A brand new metering pump makes all the difference.
