## Product details

<b>Category:</b>	Capsule Filling Machines/Capsule Polishing Machines
<b>Machine:</b>	GKF 720
<b>Machine code:</b>	24-1318
<b>Manufacturer:</b>	BOSCH
<b>Year of construction:</b>	2019

## Description

Capsule filling machine BOSCH GKF 720  
Model: BOSCH GKF 720  
Year of construction: 2019  
Weight: 1500 kilogram  
Operating hours: 4.130 hours  
Output: 3,000-43,500 capsules per hour.  
Capsule barrel: 12 segments with 5 holes per segment.  
Format tool Capsule size: 0 EL  
Further equipment:  
Nilfisk empty capsule conveyor (Model: 9505) (85 kg)  
Dust extraction system:  
Spare parts package  
Additional tamping tool capsule size 1  
Additional equipment:  
  
IPK with automatic weight regulation.  
ASB - Automatic fault repair.
